

## Empowering the Future of Education with Technological Innovation

At Sparkiedo, we support education through cutting-edge technology that advances diverse learning methodologies.

Whether through our state-of-the-art Sparkiedo Smart Panels or our comprehensive Atal Tinkering Lab solutions, we provide educators and students with the tools to inspire curiosity, creativity, and critical thinking.

Together, we aim to create future-ready learning experiences that empower students to become the innovators and entrepreneurs of tomorrow.

### Our Vision

#### Innovating Education One Step at a Time

### Our Mission

To provide innovative, technology-driven solutions that inspire learning, foster creativity, and enable critical thinking in every student.

### Our products

#### Sparkiedo Smart Panels

Transform your classroom with interactive, AI-powered technology.

- **4K Clarity & Immersive Sound:** Crystal-clear visuals and rich audio for enhanced learning experiences.
- **AI Integration:** Tailored content based on student progress.
- **Multi-Touch Functionality:** Encourages real-time collaboration in the classroom.
- **Seamless Connectivity:** Easy integration with laptops, phones, and more.
- **Cloud-Based Tools:** Access lessons, share content, and collaborate across devices.

#### Sparkiedo Atal Tinkering Labs (ATL)

Hands-on robotics learning to shape the next generation of innovators.

- **Application Assistance:** Guidance and support through the application process to ensure successful ATL establishment.
  - Lab Setup & Equipment:** Custom-designed kits such as robotics, 3D printers, electronics, and more to foster practical learning.
  - Curriculum Support:** Age-appropriate curriculum enhances learning and encourages creativity in students.
  - Faculty Training:** Training for teachers to effectively guide students in using ATL

resources.

**End-to-End Assistance:** From ATL grants to lab setup, curriculum integration, and support.

### Why Choose Us?

- **Complete Solutions:** We provide everything from lab setup, curriculum support, equipment, and training to create an effective learning environment.
- **Verified Supplier on GeM:** Transparent and efficient procurement processes.
- **Dedicated Support:** From the installation of interactive panels to training and assistance, we are with you every step of the way.

### Ready to Inspire the Next Generation?

Whether you're looking to transform your classroom with Sparkiedo Smart Panels or create an innovative STEM lab with ATL solutions, we are here to help. Let's build a future of curiosity, innovation, and creativity together!
